

Penalty claims for District 6 crews used in district 5.

Proper order for calling extra crews, other than trains expired under the hours of service, from Bluford or Centralia North (Watch New Bluford BM Pool) should be as follows;

1. Effingham GEB
2. Champaign GEB
3. Decatur GEB

This can only be policed with all our brothers help.
Word claims as follows,

“Penalty, claim one day’ pay in addition to all earnings account violation of BLE&T Article 7, Section 7, Source of Supply for District 5” Then list the details of the District 6 crew used illegally when you were available with as much information as possible”

This does not have to be limited to just District 6 crews being used from Bluford or Centralia into District 5. This includes District 6 crews tied up at Champaign and used north.

Bluford Crew penalties

“One days pay in addition to all earnings for violation of BLE&T Article 14-E.”

This should be submitted for every day you are marked to a Bluford assignment that uses Bluford as the home terminal until the facility (yard office) is in compliance. This includes District 5 & 6 engineers marked to the Bluford home terminal pools who should be entitled to penalties as well.

ARTICLE 14 - ON AND OFF DUTY POINT

E. Except as otherwise agreed, changes will not be made in reporting and relief points until suitable wash and locker room facilities have been provided. Wash, locker, toilet facilities and hot and cold running water will be provided for Engineers on all assignments.
